1. Purpose and Scope

Pupils at The Pioneers Academy are expected to demonstrate Character, Resilience and Excellence in their conduct.

2. Policy Statement and Procedures

Pupils should arrive on time, wear the correct uniform, bring required equipment, listen respectfully, complete work to the best of their ability, treat others with kindness, protect school property and follow staff instructions.

Mobile phones must be handed in each morning to the gate-duty member of staff in the pupil's named pouch. Phones must not be retained or used during the school day except where expressly authorised.

Pupils must not bully, threaten, discriminate against, harass or deliberately harm others. Online conduct that affects the safety or wellbeing of pupils or the school community may be addressed through school procedures.

The Academy expects pupils to reflect the school's Islamic ethos through respectful conduct, integrity, modesty, responsibility and consideration for others.

3. Roles and Responsibilities

The Headteacher has overall responsibility for implementation and review. Relevant designated leads coordinate day-to-day arrangements within their area. All staff are expected to follow the policy, maintain appropriate records and raise concerns promptly. Pupils and parents/carers are expected to follow the Academy's published expectations and cooperate with reasonable procedures.

4. Monitoring, Review and Record Keeping

Implementation will be monitored through appropriate records, audits, pupil/parent feedback, incident information, attendance or participation data and review by senior leaders. The policy will be reviewed at least annually unless a different statutory review period applies, and immediately where significant legal or operational changes require it.

5. Related Policies and Guidance

This policy should be read alongside the Academy's safeguarding and child protection arrangements, behaviour policy, attendance procedures, equality arrangements, data protection arrangements and any relevant individual plans or risk assessments.
